TREBEL - Brussels

La Hulpe, 9 March 2017

“ We end the year with a consolidated net result of **€20.38** million, representing an increase for the fourth consecutive year.

This year again, the business portfolio, which has **16** projects spread over **9** cities, provides a diversification of the origination of income and the visibility of future revenues. We are now able again to propose a capital remuneration on the rise. ”
